Dear Valued Customer:

We are pleased to announce that we have changed our business operating name from Wheels to Radiant. Our legal name also changed to Radiant Global Logistics (Canada) Inc. from Wheels International Inc.

We are very excited about this change as it helps to better position us in the market by clearly presenting ourselves as a subsidiary of Radiant Logistics Inc., a public company known for its commitment to delivering world-class transportation, distribution and information solutions to our customers.

Please note there will be no change in our overall organization structure or any impact on our ongoing business arrangements and agreed terms.

We look forward to continuing to serve you as Radiant. Should you have any questions, please feel free to contact:
